*Before us lies the timber—
let us build*

Dedication

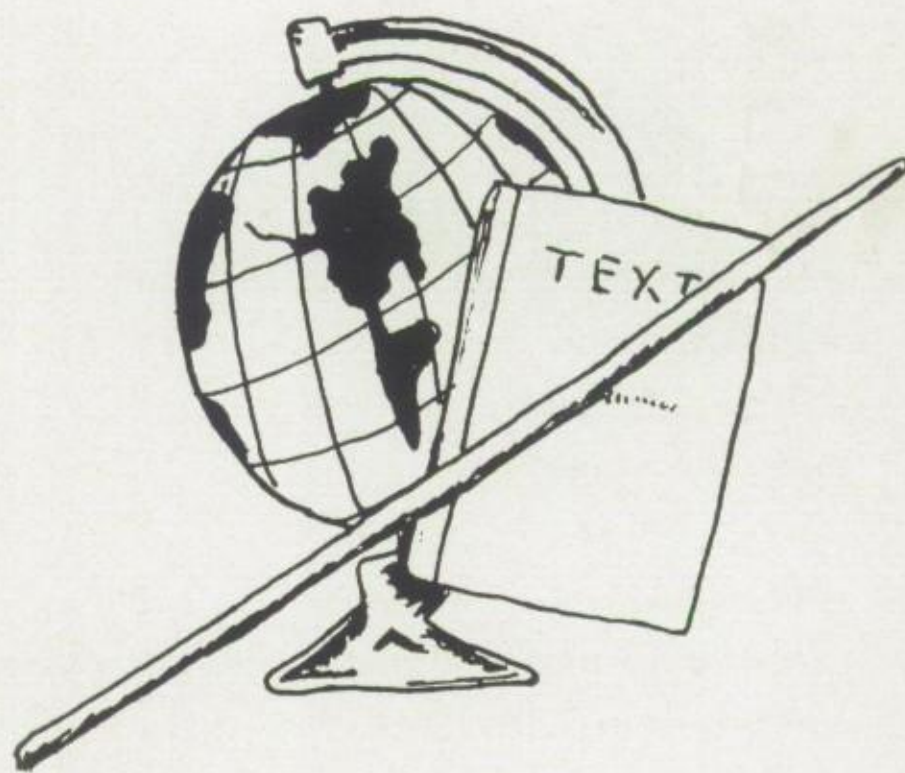

We, the Class of 1951, dedicate this book to the future and to our part in building for it. We express our appreciation to the teachers who have prepared us for the responsibilities we must assume. Our lives are dedicated to the service of our country, with the hope that, through God, we will find the strength to help build a lasting world peace.

THE FACULTY

MR. GRANDY, our Superintendent of Schools, has gained the high respect of the graduating class of 1951. We deeply appreciate his warm interest towards the students and classes, which we found quite obvious whenever he had occasion to visit classrooms. We are glad to have the privilege of being the first graduating class of Dover High School while he was in office.

MR. WALKER. At the end of his second year as Headmaster in Dover High School, Mr. Walker has proven himself to be one of the finest Headmasters we have had. He has not only shown his sincerity and thoughtfulness towards the students, but has also inspired us to become better and more useful citizens. We the class of 1951 express our thanks to him for doing such a fine job.

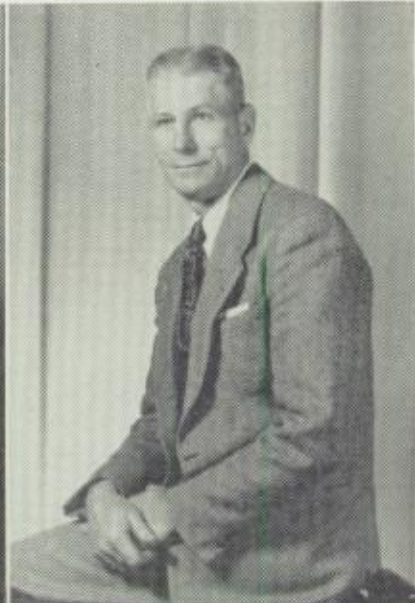

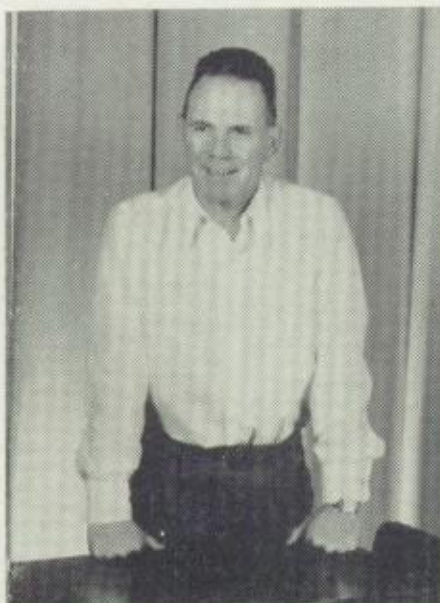

MR. DODGE, upon completing his first year as submaster in Dover High School, has shown us his ability to fill this office. Respected and admired by all the students, he has helped to bring about a better understanding between the student and the teacher. We the class of 1951 wish to extend our thanks and appreciation to him.

Class History

Dear Folks,

I was so glad to get your letter. I really thought that you had forgotten me, but now that all is assured, I'll proceed to tell you all the news of the past four years.

Remember? I entered Dover High School in September of 1947. Golly, was I scared! You can probably remember your high school days when all the rooms seemed the same, and you got lost, and . . . I guess I won't tell you that! But the teachers were very nice and laughed when I struggled in, "last, but not least." Ah me. But Freshman year went along very smoothly, and I enjoyed going to club meetings, participating in different activities, and attending dances, parties, and sports events. (You should have heard me yelling at the games!) We elected our class officers, Harry Kageleiry was president, Ray McDonough vice president, Penny Lee secretary, and Joyce Whitehouse was treasurer. Then all at once summer peeked in the window, and we left for vacation.

The summer months went quickly by, and I was back in the school room again amid the odor of text books and freshly sharpened pencils. This year, I settled back and watched the others try to find their rooms. I felt so superior because I, at least, knew where the rooms were. This year Charlie Flayhan was elected president, Ray McDonough our vice president, Jeanne Labonte was secretary, and Pat LaDuke was elected treasurer. This year a new project was started — the magazine drive. This was to raise money for the classes, for the prom, the class trip, etc. All the students pitched in and the drive was a big success. I again joined many activities and

went all out for sports. After all, Dover's football team won the state championship this year. (It must have been my cheering that brought the touchdowns!) I was in full swing of activities when someone let me know that school would soon be out, and one day, as I walked out the door, I heard the latch slip behind me; another vacation came around.

"Brown as a berry." That was me when I returned to Dover High in the fall. I was an upperclassmen now, and plenty proud of it, too. As in the years before, the leaves turned all colors of the rainbow, and drifted down as winter set in. Some days I would sit and dream of the future, for soon out in that wide world I knew I had to go. Our whole class was given an aptitude test to find out the type of work and education for which we were best suited. We voted on our class rings, and were we proud of them when they arrived! Under the leadership of our class officers: Ray McDonough, president; Bill Hepler vice president, Jeanne Labonte, secretary; and Louise Girard, treasurer, we gave the Junior Prom. We worked hard and long, preparing the programs, decorating the gym as a nautical scene, and selling tickets. The dance was a huge success, and we were very proud of our efforts. We, as a class, were also honored when one of our members, Louise Girard, was chosen Carnival Queen. Then, when I signed up for next year's subjects, I realized it. I had climbed the last rung on the ladder. I was a senior.

It took me a long time to stop looking for the seniors in the halls or in the cafeteria. I couldn't quite grasp that, at long last, I

was the senior. By mid year, I finally stopped looking around and came to the conclusion that I was in my last year at Dover High, and with sudden shock, saw that I must make the most of this year, and work harder than I had ever worked before. We had our class pictures taken, and waited anxiously until we received them. We went to assembly and were thrilled with the traditional senior's privilege of sitting at the front of the gym, and of hearing the long awaited "Seniors first." We elected Ray McDonough, president; Charlie Flayhan, vice president; Nola Renaud, secretary; and Joyce Whitehouse as treasurer. We planned our class trip to Washington and New York, and when the April vacation finally came, we had a wonderful time. After vacation, we started marching for the Prom. It was wonderful to realize that we were the ones being honored, but we felt that graduation was looming closer all the time. (The boys can no longer talk about the girls being fussy

about their clothes. You should have seen those boys worrying whether the red rose, our class flower, would clash with their maroon ties. They really looked very nice, though, with their white dinner jackets.) All this time I had been looking at college catalogs and bulletins, talking to everyone, and visiting many places, in trying to decide what I would do after graduation. I didn't have much time to look, as you can probably guess, because the time had flown so fast that it wasn't until I was up on the stage in a blue cap and gown, that I figured out what was happening. It was graduation time, and. . . Well, here I am folks. I got out, and am answering your letter. Yes, I'd love to come and see you before I must enter college in the fall.

I'll close now. I hope to hear from you again soon. Until then,

Truly yours,

R. CLASS

Senior Class Will

We the class of 1951, being of sound body, if not of mind and memory, do proclaim this to be our last will and testament and hereby leave all our worldly possessions to the hopeful seniors of DHS.

To Mr. Walker, our headmaster, we leave our sincere gratitude for the co-operation he has given us, and hope that future classes will benefit by his leadership.

To Mr. Dodge, we leave an alphabetical list of absentees to help the weary office girls in tracking them down.

To Miss McCooey, we leave our heartfelt appreciation for the guidance help she has given us during our high school years.

To Miss Boyd, we leave a vacuum cleaner to help the detention students keep 107 spic and span.

To Miss Taylor, we leave a box of mechanical pencils and erasers to help remove the many errors caused by freshmen algebra students.

To Mr. Bergeron, we leave the hope that next year's Chemistry student will learn how to make Chlorine Gas and the like without causing a small panic.

To Mr. Flaherty, we leave "The Thing"—have fun dissecting it.

To Mr. O'Kane, we leave a daily subscription to the morning paper so that the seniors may catch up on the news.

Joyce Bodwell leaves a bottle of aspirins to help relieve the headaches of next year's yearbook editor.

Harry Kageleiry leaves his many achievements in school and social life to John McDonough.

Kay Colbath bequeaths her secretary's notebook and a few extra pencils to next year's secretary of the Student Council.

Mary Keenan leaves her neat and precise manner to Ora Roberge.

"Pep" O'Connor inherits Bob Moody's collection of track medals and awards.

Prophecy for Class of 1951 D. H. S.

Here I am sitting alone in the death cell at Sin Wing, I have ten minutes until Over the prison lies the shroud of silence. Far away I hear an iron door open. Father John Germain of the Tibetan Order of the Franciscan Monks, who has just arrived from a lengthy meditative walk enters my cell. I recognize him immediately, although I have not seen him since our high school days. I begin to wonder why, after receiving the same education, I am here and he is in a revered position. John tells me of the success of my classmates.

John Lemay is now working for T. W. A. (Tulip Weeders of America) and then there is always Bob Gibson who is employed by the B & M Railroad. (He also has a combination pool parlor and funeral home for pin money!) I learned that my old friends Joseph Bitetti, Allan Davis, Roger Hepler, Dick Levitre, Pat Sanders, and Helena Redden have given a concert at Carnegie Hall. The most sought after man at this affair was Robert Edgerly, our class orator, who used his magnificent lung power to its greatest advantage selling hot popcorn to the crowd.

Clara Mae Arkwell and June Hamilton are inventing a new mimeograph machine. It is supposed to run without the bother of paper and ink.

Emily Spofford is President of the Medical Association with Rheta Hodges as her most efficient receptionist. Pat LaDuke is now refereeing wrestling at the Rainbow Arena. During the main bout between John Sullivan professionally known as Ivan Rovioli and Jerome Jean better known as the Golden Guerilla, the lights went out due to the inefficiency of the head electrician. Order was soon restored by the sheriff, Jimmy Crowley, ably assisted by his deputy John Kittredge, and his son Charlie Kraatz. John tells me that Frances Boyd and Evelyn Trask are still very friendly as they are working in the same hospital. The former is

head nurse in the Operating Room while the latter is Director of Student Nurses. Among the student nurses are a few of our classmates namely Mimi Stetson, Jean Labonte, and Phyllis Whynott. Their delay in graduating is due to the Florence Nightingale Creed.

Thomas Walker is head of the National Forensic League trying to teach quiet Curt Palmer, Ruth Davis, Woodrow Palmer, and Marietta Meserve that it isn't too hard to speak in front of people.

A famous journalist who is taking special interest in my case is the outstanding Nancy Hunt. She recently covered the society story of Corrine Ouellette's marriage to Ray Munroe.

Shirley Wilson is also very successful as she is proprietor of a beauty salon in New York. She specializes in wigs. Her most recent customer being Kathryn Walker. William Roy is delivering mail by dog sled to Slush, Alaska. Despite hazardous weather his wife, the former Eleanor Langley, insists on accompanying him on every trip.

Glen Jones and Alden Marshall have established a traveling restaurant for farmers working in the fields. It is a helicopter which saves them the bother of walking home for dinner.

Penny Lee has also followed her school day ambitions. She is the buyer for Woman's Apparel at Filene's. Her influence has gained Charles Flayhan the position as floor walker. The Toni company has just hired Richard and Ronald Cole for their advertisements on which one has the Toni.

Sidney Hall, Elias O'Connell, John Sturgeon, Charles Bryson, and Earl Brown have secured shovels from Mother Mallen's Hardware Emporium to be used in an attempt to irrigate the Gobi Desert for farming land for Guy Dodge and Nancy McDaniel's farm.

Among those who "Struck it rich" on Wall street are Edwin Bardwell, Conrad Cloutier,

Floyd Drew, and Joseph Illingsworth. It is hinted they got their information from Paul Labbe, the President of Wall Street.

Pat Barry, Maxiene Crory, Joan Cassell, and Claire Morrisette are now driving thirty ton trucks for Red Dagenais's Door Knob Factory. Herbert Day has a night job at the General Electric, while Robert Ham is studying to be an actor.

Wilfred Martin owns a television program in which Rachel Naso and Laura Wood take leading parts, while Marion Eastman sponsors a radio program in which Helen Freeman plays Portia in "Just Plain Portia."

Paul Lavoie, a big businessman, is trying to buy the Stork Club from Donald Crandall; but Donald won't sell unless he can persuade Roland Martel to sell him some of the hotels he owns down in Miami Beach, Florida.

Beth Olsen is now starring in the ballet "Snow Shoes". Co-starring are such professionals as Al Bonneau, Mike Emerson, and Bob Harrington. Other members of the cast include Nancy Gray, Gloria Roberge, and Mary Mallouf.

Marilyn Peck, Marjorie Perry, and Barbara Plouffe are running for President. They think it's high time the women had a chance at that office. The immediate president, Aaron Wentworth, is worried that one of them might get in.

The most eminent member of our class is Tootie Verette as she attempted to swim the English Channel. She failed despite the arduous efforts of her trainer, Pat Grandy.

Edward Wilson is superintendent of several schools. Under him are headmasters Charles

Wentworth, Irving White, and principals Thelma Thompson, Caroline Towle, Phyllis Wheeler, and Caroline Blagdon.

The guard informs me that it is now time. The Father and I start our long walk. The other inmates looking at me, knowing full well that it soon shall be their turn. At the end of the corridor I see the green door, and I hear the fiendish laugh of Spero Theororas, for this is the trial run of his latest invention. The "Little Daisy Gas Chamber" guaranteed not to bend, break, tear, scratch, or shock its inhabitants. If this one works Spero will make millions selling copies of it to the "Roger Fernald's Rat Exterminating Company".

Just before I enter the green door I notice to my left a cell inhabited by Leo Blood for refusing to disclose the meaning of "ITCHYAM-GOSHANICKY". The door is opened by the head guard, Bernard Hemenway. Bob Sullivan is seated in the Press Box representing the "Hobo News." As executioner Raoul Therrien leads me up to the gas chamber where his assistant Paul Keefe awaits to strap me in.

As I wait for the lever to be pulled, the outer door is thrust open for Carolyn Delbrouck, who is prison messenger announcing my reprieve which came directly from warden George Newton's secretary, Nola Renaud. The reprieve was delivered horseback by Dave Dearborn who received it from Governor, Bill Morrison.

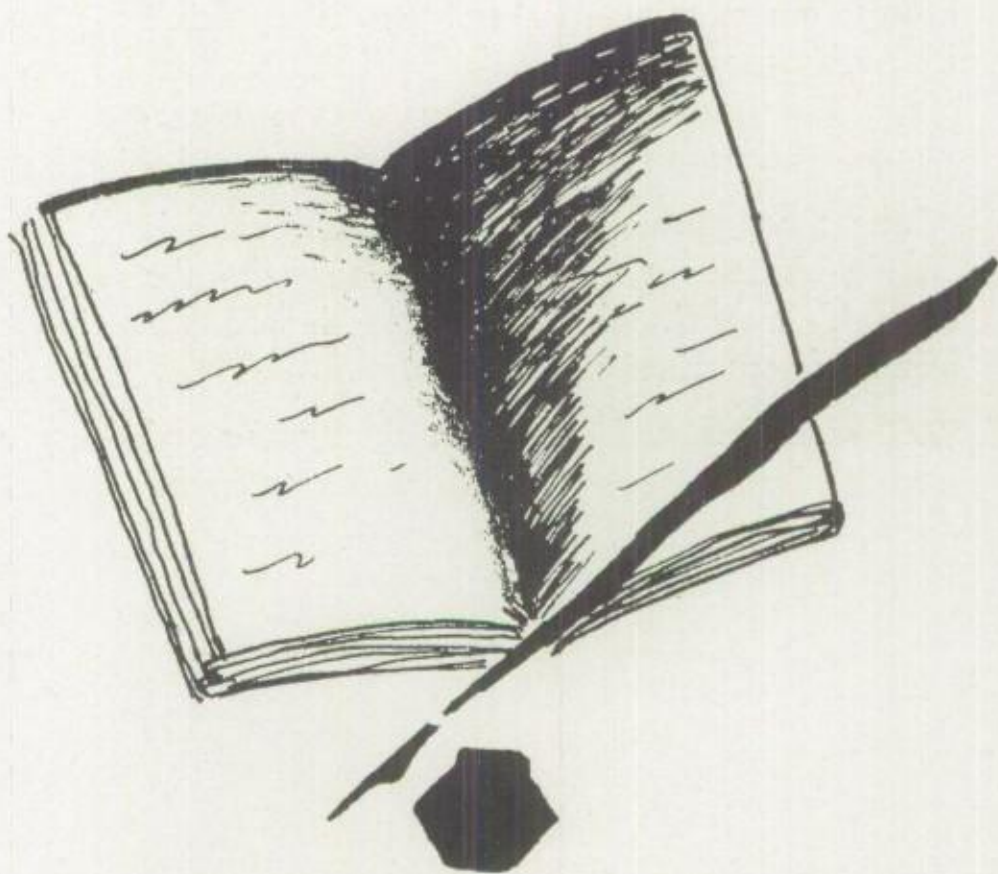

I, JOHN SCHARF, am now a free man, able to take my rightful position in society alongside my successful classmates.

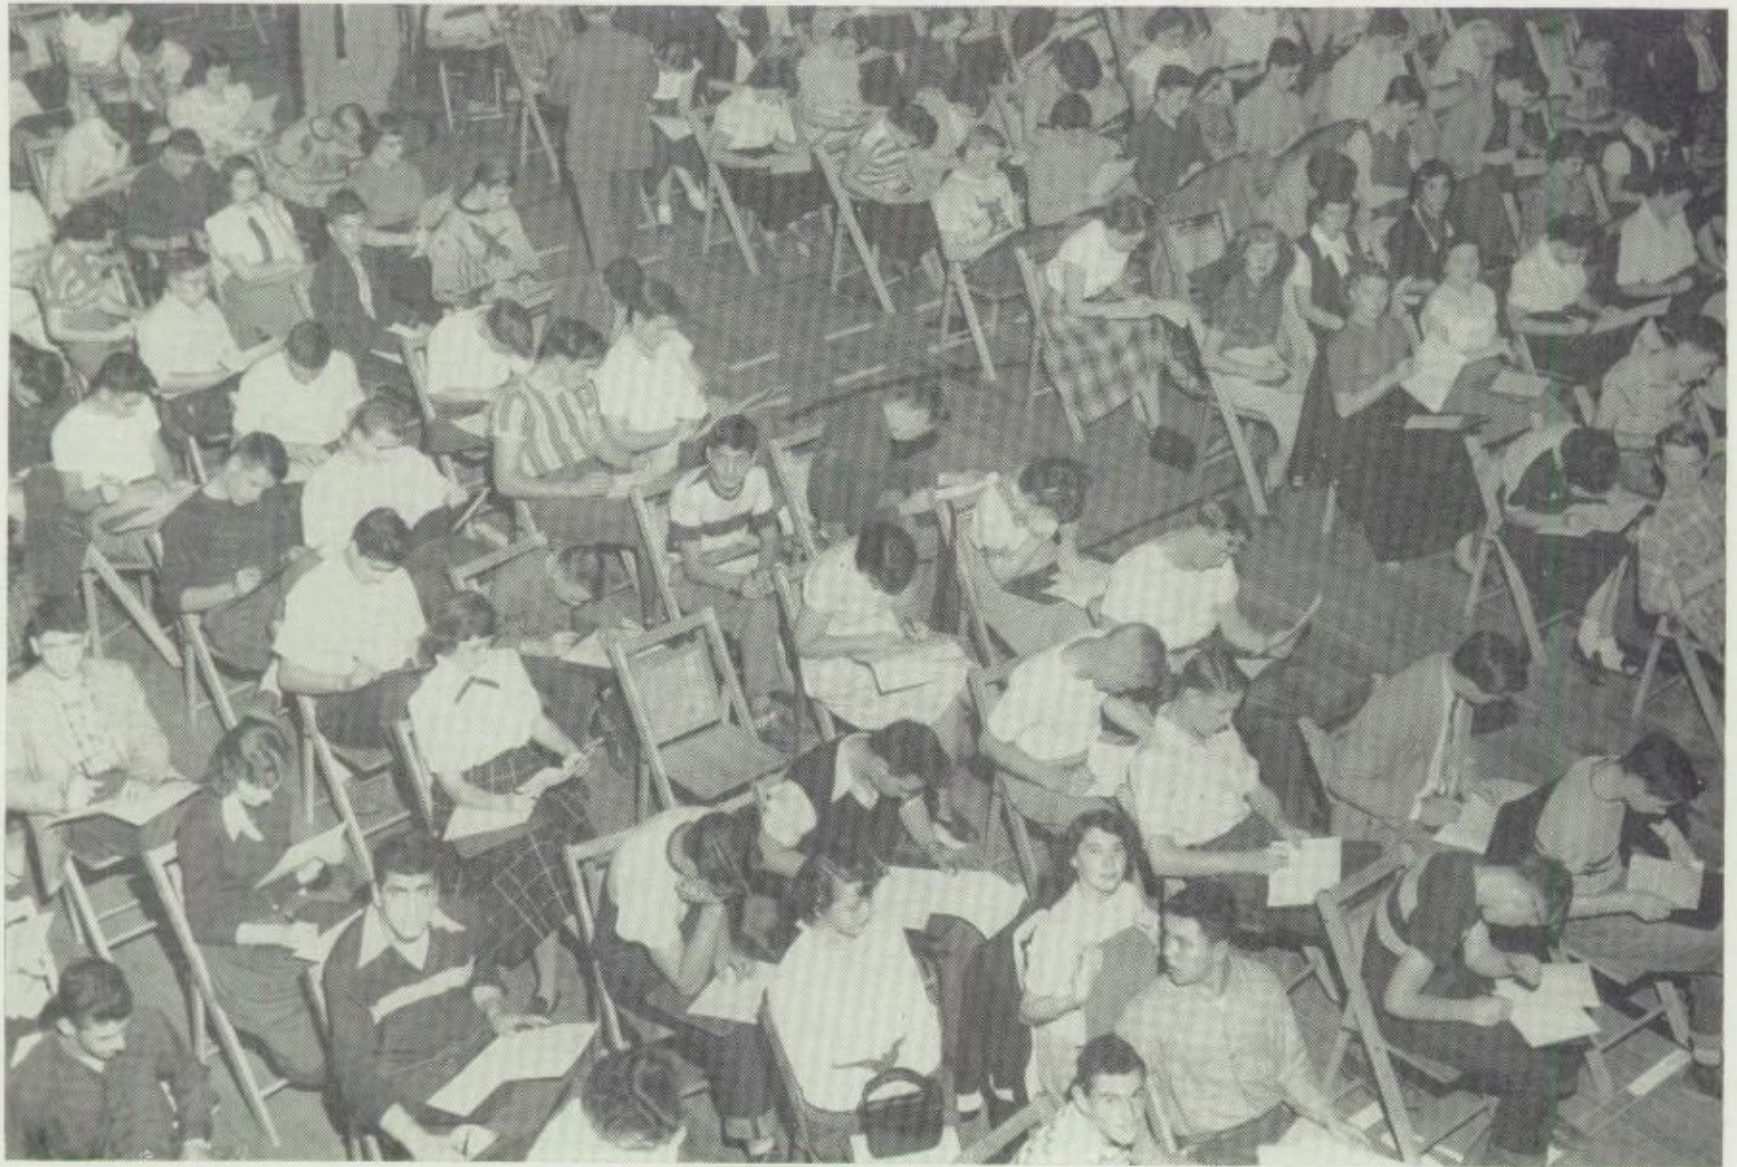

Never again will I tilt a pin ball machine.

The Fearless Four,

JOHN SCHARF

THE SCHOOL LIFE

School Life

Life in Dover High School is active and varied. Students have interesting classes, where they get their "book learnin'," and many clubs and other projects, where a student may follow his particular interests or hobbies. Students learn how to get along with each other, each others interests, and a tolerance and respect for other people's ideas and opinions. Teen-agers are prepared in high school to be good citizens of their community by learning to be good clean fun, and engage in many supervised social events.

Psychology students learn about people and how and why they react the way they do. This is an informal class, and this environment leads to many interesting discussion periods. This class teaches tolerance, because the students learn why people behave the way they do.

Chemistry is a scientific study, with many labs that bring strange, and sometimes startling, results. Inorganic chemistry is concerned with non-living things, while organic chemistry takes up living things.

Modern Problems is an interesting class, and also often leads to informal discussions. Students take public opinion polls, hear speakers, discuss national and international affairs, and study such timely subjects as juvenile delinquency, racial prejudice, and communism.

Physics covers science in mathematics. Students

learn about energy, mechanics, heat, sound, and electronics. This course really makes the student think.

English includes literature, grammar, and speech. Students read books in class, give periodic book reports, drill on grammar, give short talks, and use the wire recorder.

Davis Area Vocational School also has many interesting classes for the students who have decided to make one of the trades their life work. Students in woodworking, auto shop, radio shop, sheet metal, agriculture, cosmetology, and home economics, have many interesting classes here. At the end of the course, these students are ready to enter their field and do a competent job at their work.

The Guidance Department is an important part of life in Dover High. The understanding and helpful director is always ready to aid in solving the problems of the students, no matter whether they are strictly personal or very general problems.

Dover High also has many traditions. Every fall each class elects their class officers, after a period of campaigning by the candidates. The Junior Prom and the Carnival Ball are the two "big

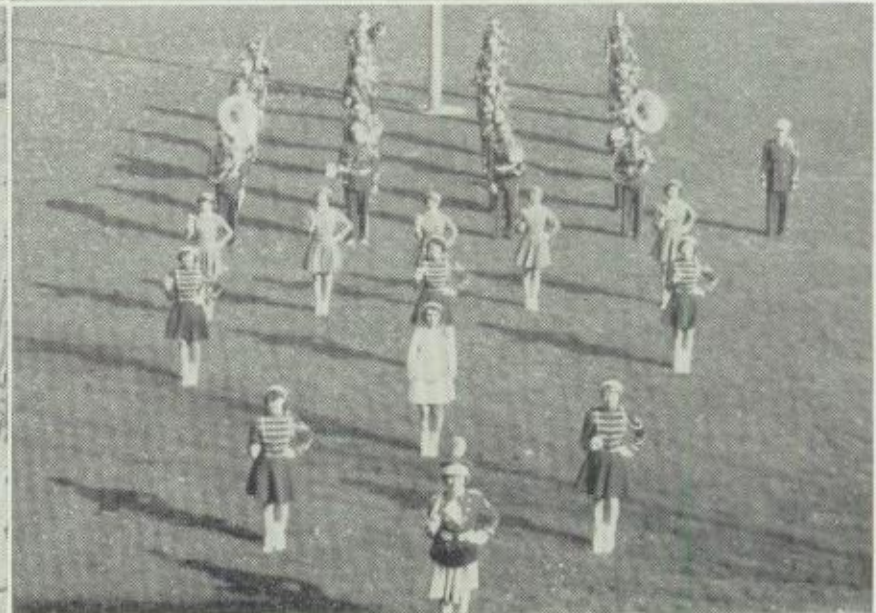

dances" of the year, and are always well attended by the students.

The Harbor Lighters make up a new part of school life. These students formed the dance band and play at many of our dances. Other music making organizations in Dover High include the band and orchestra.

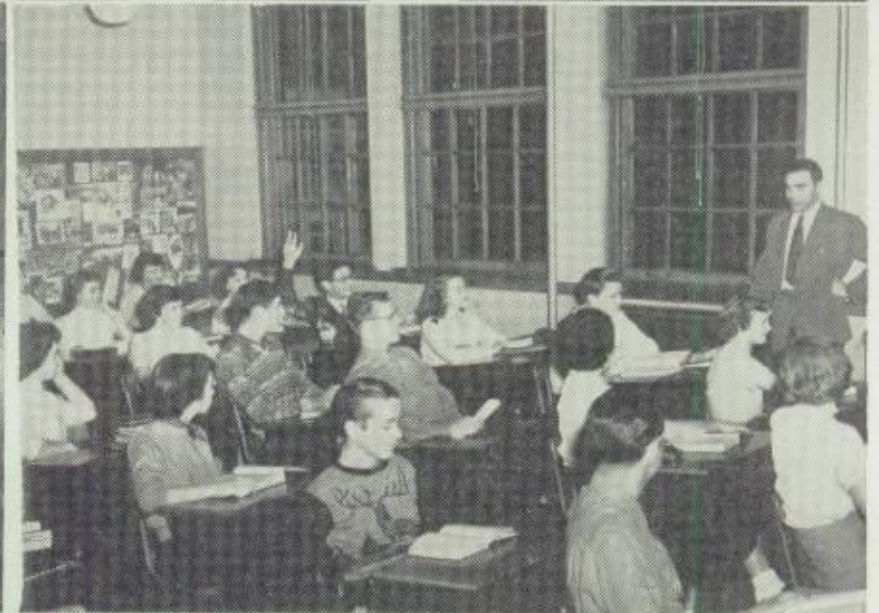

The cheerleaders always lend pep and spirit to a game or rally, and Dover High was especially lucky this year in having "Miss New Hampshire Cheerleader of 1951" from our own alma mater. Theani Moutevalis was the happy recipient of this honor.

The school plays, the girls' and boys' ski teams, the rifle team, and many other activities also contribute to life in Dover High. And, of course, we can't forget the freshman and junior tests that are given every year. Although these make the students rack their brains, they look forward to taking them.

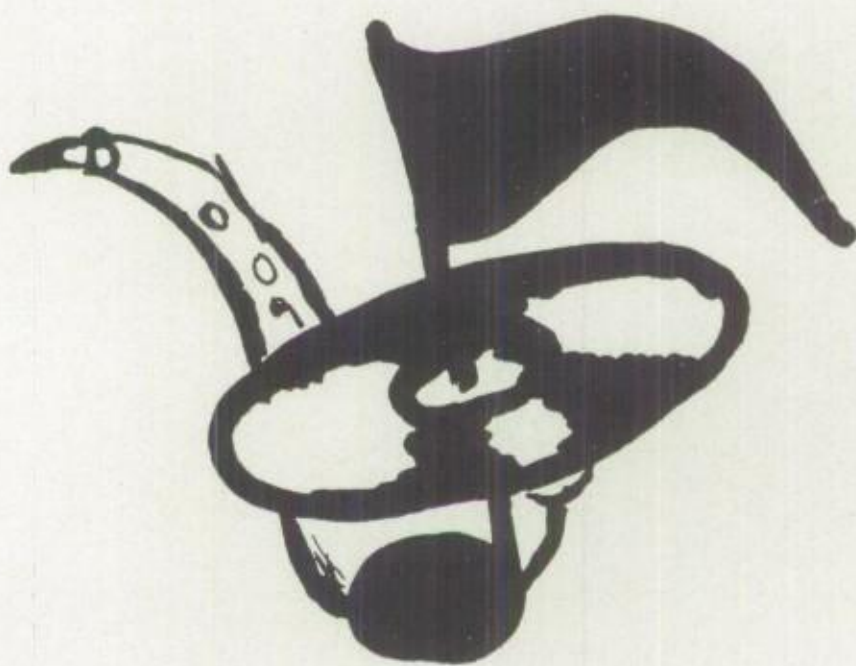

All these things and many more make up school life. It is a happy four years that is spent at Dover High and a four years that is crammed with knowledge.

Profile Staff

The first of this year a group of student got together in hopes of producing a Year Book. At this meeting the staff was elected with Joyce Bodwell as Editor-in-Chief.

Our business manager, Robert Edgerly, immediately started the students on soliciting ads in order that a budget might be determined.

The Staff would like to express its appreciation to the students and advisors, who, through their efforts and many hours of work have made this book possible.

The Staff is as follows:

Editor	Joyce Bodwell
Associate Editors	Katherine Colbath Robert Leonard
Business Manager	Robert Edgerly
Junior Business Manager	David Culton
Literary	Joyce Stevens
Senior Write-ups	Jane Richardson
Photography	Robert Bernard Paul Labbe
Art	Reita Newton Charles Flayhan
Sports	Harry Kageleiry Andrea Verrette
Clubs and Activities	Nancy Hunt

Student Council

The Dover High School Student Council, official representative of the student body, has assisted considerably in promoting student activities throughout the year. The students are kept well-informed of the council's activities through reports given by home room representatives.

A new project assumed this year was the supervision of class elections so that they would more closely resemble actual elections as carried on by adult groups. Sportsmanship Week was a successful program, and the council assisted the Girls' Athletic Association in the Winter Carnival.

The Council headed the Strafford County Student Council Association, and spearheaded the drive to found the New Hampshire Association of Student Councils. It has been one of the leading groups in New England, and has been recognized with membership in the New England Student Government Association.

The following are officers of the Dover High Student Council:

President	Robert Edgerly
Vice President	Harry Kageleiry
Secretary	Katherine Colbath
Treasurer	Betty Jacques

First Row: J. Bodwell, K. Colbath, J. Whitehouse. *Second Row:* R. Newton, R. Edgerly, W. Hepler, E. Spofford, N. Hunt.

National Honor Society

This organization is made up entirely of juniors and seniors, and only the honor students from these classes may belong. A student does not become a member of the National Honor Society merely by paying dues and attending meetings, but he is carefully selected by the faculty and by members already in the Society.

Each year a certain percentage of the junior and senior classes is elected to the Society. They are chosen on the basis of character, scholarship, leadership, and service. These students are formally inducted into the organization and are presented with a pin.

This year the National Honor Society sponsored a movie in the gym, which was a success.

In March, five of the eight senior members were chosen to take an aptitude test as part of a nationwide scholarship contest.

Plans were started early in April for the initiation ceremony for new members.

Miss Buckley has been the untiring advisor and guide to the Society; Katherine Colbath was President; and Joyce Bodwell was secretary.

Green and White

The Green and White Organization is the only money-making club in Dover High School. It is a sub-committee of the Student Council and is composed of approximately twelve members.

Meetings are called whenever it is deemed necessary, and these meetings are conducted according to the rules of parliamentary procedure.

All Dover High School dances are under the supervision of the Green and White. This group takes care of dances after competitive athletic events.

The following officers, acting as torch bearers, deserve credit for their leadership in the various projects undertaken by the Green and White:

President Ray McDonough

Vice President David Culton

Secretary Marcia Labonte

Treasurer Betty Jacques

First Row: R. Culton, E. Jacques, R. McDonough, D. Culton, M. Labonte, L. Redden. *Second Row:* D. Lane, B. Lavine, W. Wilson, M. Allen, L. Maloney, J. Whitehouse, L. Blood, P. Kageleiry.

First Row: R. Edgerly, Coach Adams, Mr. Walker, H. Kageleiry. Second Row: Mr. Barnes, Mr. O'Kane, Miss O'Brien, Mr. Flaherty, J. McNally.

Athletic Association

The Athletic Association of Dover High School consists of three lettermen, who are elected by the Student Council, and the President of the Student Council. The adults in this group include our Principal, Mr. Walker; the Faculty Manager, Mr. O'Kane; the school Treasurer, Miss O'Brien; our Superintendent, Mr. Grandy; a number of School Board Members, several coaches, and, as chairman of the Association, Coach Adams, who is also the Director of Athletics for the school.

The Athletic Association has the authority of regulation over all the athletic events of the school and of expansion of the sports program. The main purpose of the group is to establish a well rounded athletic program.

The Association authorized both the Rifle team and the Ski Team this year adding them to our regular list of sports.

Regular meetings are held on the fourth Wednesday of each month.

School Spirit

Gossip, polls, stories galore—all this and much more was enjoyed by the students of Dover High in their school magazine, the "School Spirit." As has been the custom, this paper was published four times in the course of the school year—Hallowe'en, New Year's, St. Patrick's Day, and Graduation.

Many new features were added to the paper, one of the most important of which was "Rod and Gun," Harry Freeman's idea and column. Joint staff meetings with other schools lent additional interest to the "School Spirit."

Much credit is merited by the reporters, artists, faculty advisors, and the commercial department girls who do the actual publishing.

To the entire school goes the staff's appreciation for its splendid support in purchasing the issues.

The following people constituted the staff:

Editor-in-Chief	Joyce Stevens
Associate Editor	Reita Newton
Features and News	Beverly Sinderoff

Forensic Club

The Forensic Club, our debating group, is one of the most outstanding organizations in high school, and has brought many trophies and honors to Dover.

This year, the Forensic club has debated at Shrewsbury, Mass., Concord, N. H., Laconia, South Portland, Maine, and in the Annual Speech Tournament at the University. Several members were invited to debate for the Lions' and Kiwanis Clubs.

The team of Laurence O'Connell and Thomas Walker, and the team of Doris Desautel and Pat Towle defeated their debating opponents, to bring Dover into the state semi-finals.

On April 6, Dover competed in the finals at Bates College, Lewiston, Maine. Doris Desautel and Pat Towle won both of their debates and Bob Edgerly and Tom Walker lost only to the State Champions, Laconia. Dover teams, placing second in the state, were awarded with a certificate of distinguished debating ability and a silver medal.

The success of the debating teams is owed to the expert guidance of Miss Valley, the debating coach.

President	David Culton
Vice President	Patricia Towle
Secretary-Treasurer	Shirley King
Librarian	Mary Bennett

Prize Speaking

The Prize Speaking division of the Encore Club spent the first months of the school year preparing for the Annual Perkins Prize Speaking Contest, which took place in the City Hall on December 7, 1950.

The contestants this year included only two veterans; Carolyn Potter and David Culton, both juniors. The other six participants, all newcomers to the field of prize speaking, consisted of Priscilla Marple, Patricia Towle, Christine Price, Patricia Grandy, Laurence O'Connell, and George Parks.

The coveted gold medal was won by David Culton with James Thurber's "The Secret Life of Walter Mitty." Irvin Shaw's "Bury the Dead" took second prize for Carolyn Potter, and Pat Towle won third prize with "Futility," by Caroline Allen.

All of the contestants participated in the state tournament. David Culton won the trophy for his humorous declamation, and Carolyn Potter's dramatic interpretation placed second. Pat Grandy and Leo Blood placed among the top six prize speakers in the state.

Koutrelakos.

Encore Club

The Encore Club, under the capable guidance of Mrs. O'Kane and Miss McManus, has centered its activities around the presentation of three one-act plays, and a humorous three-act drama.

"Mr. Lincoln's Whiskers," by Adrian Scott, was presented for the seniors by Albert Mitchell, Pat Carswell, Nola Renaud, Reita Newton, and Leo Blood, with Robert Edgerly as student director.

Thornton Wilder's "Happy Journey" was offered for the juniors by Laurence O'Connell, Carolyn Potter, David Culton, Alice Chapman, Peter Koutrelakos, and Connie Zarillo, with Pat Towle directing.

Arthur Korn, June Drake, Joan Bennett, Lionel Denoncourt, Nancy Rowe, Harold Smith, Robert Comiskey, and Albert Barden, with Beverly Sinderoff directing, gave Robert Lambert's "Ebb Tide" for the sophomores.

"Our Miss Brooks," by Perry Clark, was successfully staged by Pat Grandy, Carolyn Potter, Mabel Allen, George Parks, Laurence O'Connell, Christine Price, David Culton, Connie Zarillo, Gay Young, Sandra Stammers, Mary Mallouf, Phyllis Seavey, Sandra Adams, Shirley Seaver, Estelle Blais, Lionel Denoncourt, and Arthur Korn.

Radio Club

The Radio Club is one of the newest organizations at Dover High School. It was organized by a group of students interested in the various phases of radio transmission. Miss McManus has been the guiding light in the development and expansion of the club. It is the object of the organization, which now numbers thirty-six members, to prepare and produce short plays and other entertainment which can be presented through the facilities of the local radio stations.

Since the club's formation last November, members have taken advantage of the opportunity to record their voices so that choices for speaking parts in radio entertainment might be made to better advantage. Choral speaking has also been given consideration.

One of the highlights of the year's activities was a trip through Station WHEB in Dover, where transmission equipment was inspected, and members were permitted to test their voices over a live microphone.

The enthusiasm shown by the members of the Radio Club since its founding speaks well for its continued success as one of the extra-curricular activities of Dover High School.

Latin Club

The Latin Club of Dover High holds meetings on the X period, every Friday afternoon, under the able direction of Miss Buckley.

Like many other organizations, the Latin Club found it difficult to maintain an expanding treasury. To cope with this problem, the members agreed to pay dues of twenty-five cents per month.

Latin movies have been on the schedule several times, and have been enjoyed by all. At one meeting, the members were given lists, written in Latin, of articles to find. This scavenger hunt was another of the many activities carried on by the club.

In the Spring, the Boston Museum of Fine Arts had some enthusiastic visitors from the Dover Latin Club.

The officers for 1950-1951 are as follows:

Consul	Gayle Cloutman
Vice Consul	Joseph Cote
Secretary	Judy Fuller
Treasurer	Bernard Roy

Regular members are as follows: Gayle Cloutman, Joseph Cote, Judy Fuller, Bernard Roy, Linda Berry, Nancy Richardson, Marion Hunt, Sonja Carlson, Henry Viel, and Mary Lee Pelczar.

French Club

The French Club is not a new organization in the high school, but it is a helpful one. Under the leadership of Miss Boyd, the French Club tries to give, to all French students, a better understanding of the French language and the French people. This is accomplished by movies, slides, and group discussions. Spelling and vocabulary matches provide aids frequently at the bi-weekly meetings. French conversation and the singing of French songs help to create French atmosphere.

One of the highlights of the past year was the trip the members enjoyed via two hundred and fifty Kodachrome slides, to eleven countries and one principality in Europe. The pictures covering LaBelle, France, were, naturally, particularly interesting to the club.

The organization is open to all students who understand the French language.

The officers for 1950-1951 are as follows:

President	Claudia Cottrill
Vice President	David Culton
Secretary	Gay Ann Young
Treasurer	Richard Deblanc

Science Club

The Science Club of Dover High School is an organization composed of approximately eleven members. The object of the club is to promote further knowledge and interest in the field of practical science.

The faculty advisor is Miss Smith, and she deserves a great deal of credit for her efforts in the guidance of this club.

The activities, dealing generally in practical science, have included field trips, experiments, and movies, which proved very informative, and were enjoyed by all.

The officers of the Science Club are as follows:

President	Burke Zimmerman
Vice President	Fred Allen
Secretary	Diane D'Arcy
Treasurer	Gayle Cloutman

Biology Club

The Biology Club is a group consisting of approximately twenty members, and it has been a very active organization this year.

The club visited York Beach, Maine; the University of New Hampshire, and several museums on a trip to Boston. The members also enjoyed attending a ball game while in Boston.

Mr. Flaherty and Mr. Barnes deserve a great deal of credit for the work they have done with the Biology Club.

The officers of the Biology Club are as follows:

President	Allan Davis
Vice President	Mary Bickford
Secretary	Doris Desautel
Treasurer	Shirley King

Tri-Hi-Y Club

The Dover High School Tri-Hi-Y Club, under the direction of Mrs. Rose Alterman, has twenty-eight active members.

The sixth Annual New Hampshire Y.M.C.A. Older Girls' Conference was held in Dover this

year, with over 130 girls attending from all over the state.

A collection was taken to buy a basket of food for a needy family at Christmas. During the March of Dimes campaign, several members collected money on the "Porch Light" Drive. A basketball team was formed which played and lost two games, both to Rochester Tri-Hi-Y. Other highlights of the year included the induction of new members and a "Spring Hop" Dance.

Fifteen members attended the district meeting in Portsmouth on March 13th, when nominations were made for offices in the Youth and Government Program. On March 17, three girls went to Hanover, to the first meeting, at which Lorraine May was elected Clerk of the House. Patricia Towle and Jacqueline Desautel attended the final meeting which was held in Concord on April 20 and 21, when the youth of New Hampshire presided at the Capitol and conducted the business of the state.

Christine Price represented Dover on the Older Girls' Council.

Pat Carswell was President, Jeanne Labonte was Vice President, the Secretary was Marcia Labonte, and Joann Bennett was Treasurer.

Projection Club

The Projection Club of Dover High School is an organization of hard working members. Its purpose is to aid the teachers with audio-visual equipment, thus promoting visual education.

The club is composed of approximately thirty members, three of whom are girls. The boys run movies, film strips, recorders, etc, both for the teachers, and for organizations not connected with the school. The girls take care of the office work, such as filing, ordering films, and issuing weekly bulletins to the teachers.

There are no periodical meetings; one is called if the necessity arises.

Plans have been under way this year for the members to earn letters, after an apprenticeship of one year, for their efforts and interest in the club.

Mr. Bergeron, the club advisor, deserves a great deal of credit for his marvelous work, both as head of the audio-visual education department, and as club advisor.

The officers of the Projection Club are:

Vice President	Thomas Murphy
Secretary	Nancy Hunt
Treasurer	Eleanor Langley

Future Homemakers of America

The purposes of the F. H. A. are: to promote a growing appreciation of the joy and satisfaction of homemaking, to learn to live better today in order that our lives and those of our families may be better tomorrow, and to further interest in Home Economics.

The club carries on a variety of activities. The girls served tea at the annual meeting of the Mathematics Teachers' Regional Conference in October, and served as waitresses at the banquet given for the District School Board. The club presented a United Nations Flag, which they had made, to the high school on United Nations Day. Ten girls were sent to represent the Dover club at the annual F. H. A. State Conference held at Goffstown, New Hampshire. The mothers of the girls were honored at a festive Christmas party.

The annual joint initiation of the Future Homemakers of America and the Future Farmers of America took place on November 15.

The club is under the very capable guidance of Mrs. Ruth Ham. The officers are as follows:

President	Alice Lanouette
Vice President	Shirley Waterman
Secretary	Emily Scribner
Treasurer	Joyce Sevigny
Reporter	Geraldine Jenness

Future Farmers of America

The Future Farmers of America, a national organization of boys studying vocational agriculture in public secondary schools under the provisions of the National Vocational Education Acts, was granted a charter by the 81st Congress in November 1950, thus joining the Boy Scouts and the Girls Scouts of America as the only three youth organizations in America chartered by the United States Congress.

The Dover Chapter was cited this year for two outstanding awards. Guy Dodge, state vice president, was awarded an all-expense paid trip to the National Convention held in Kansas City, Missouri. Richard Hebbard was awarded \$100 for being selected the outstanding "Dairy Farmer" in New Hampshire.

Ten boys are awarded the degree of "state farmer" each year in New Hampshire. Three of the ten boys this year were members of the Dover Chapter. They are William Fiske, '51; Guy Dodge, '51; and Richard Hebbard, '52.

Nancy Tear was crowned "queen" of the local chapter at the annual Fall Harvest Dance.

Boys' Glee Club

Although a relatively new organization in Dover High School, the Boys' Glee Club is a fast growing one. It was organized in the fall of 1950, and, under the able guidance of Mr. Bernard Moushure, director of our music department, has grown to number over sixty voices.

The club meets every week, giving its members the opportunity of enjoying group singing. The group took part in the annual High School Christmas Concert, adding greatly to the evening's entertainment.

Selected members of the Boys' and Girls' Glee Clubs have met to form a Concert Choir of which Dover High has reason to be proud. This group has also been meeting once a week, and gave a recorded concert on the radio on Easter Sunday.

The Boys' Glee Club has made rapid progress and has gained much popularity among the students. May it be established as one of the regular activities of Dover High School in the years to come.

Girls' Glee Club

One of the largest organizations of which we, as students of Dover High School, can be proud is the Girls' Glee Club. The seventy-five voices blend together in close harmony under the capable direction of Mr. Bernard Moushure, who has been director of music in Dover High School since 1948.

The Glee Club offers the girls who enjoy group singing the opportunity of participating in this activity at each regular meeting. The club participates in several assembly programs during the school year. Its members fill the corridors of Dover High with Christmas Carols on the last day of school before Christmas vacation. They also take an active part in the annual High School Christmas Concert.

Singing is fun, and we recommend the Girls' Glee Club as an organization which offers a pleasant diversion from regular courses to all the girls in Dover High.

Orchestra

The Dover High School Orchestra is a comparatively new group. It was formed two years ago by the director, Mr. Moushure. The members meet for rehearsal once a week. These meetings are usually held on Wednesday afternoons.

The orchestra is composed of the following instruments: two trumpets, five violins, a piano, a string bass, two clarinets, one flute, one piccolo, three saxophones, one drum, and three trombones. Bruce Nichols is the manager, and Georgia Appleby is the librarian.

This musical group has played for the Elks and the three one-act plays. The music at the annual three-act play was also supplied by our orchestra. Various clubs in the city have been entertained by these students, and the group was seen once again at the annual Perkins Prize Speaking Contest.

In May, our high school was represented at the All State Orchestra, in Portsmouth.

We hope that this organization, under the capable guidance of Mr. Moushure, will continue to be an important part of Dover High School in the future.

Band

The Dover High Band plays a large part in the life of the school. It is present at all football games, parades, music festivals, and assemblies. The cheerful green uniforms trimmed with white make the Dover High Band one of the snappiest in the state.

During the past year, the band has met on alternating periods and for an hour after school, one day a week. Regular drill practice is held during the fall and spring months.

Members of this organization attend All State and All New England every spring, and the whole band attends the All New England and All State Festivals every year.

Because of the shortage of uniforms at the present time, the number of band members is limited to thirty-five, but functions sponsored by this organization are bringing more money to obtain new uniforms and thus enlarge the band every year. This smart-looking group, under the direction of Mr. Moushure, adds much to the color and spirit of the school.

Allan Davis was President, Bill Helper was Vice President, the secretary was Pat Towle, and Georgia Appleby was Librarian.

Art Club

The Art Club of Dover High School was newly formed this year under the supervision of Mrs. Jane McHugh, and it has been very active all year. Among the many interesting things accomplished, the club has:

1. Participated in the National A. A. A. Safety Poster Contest.
2. Made, without patterns, Christmas Carolers for the Yuletide season, from crepe paper, egg shells and pipe cleaners.
3. Studied the history of art.
4. Hand painted neckties and glassware.
5. Made posters for class elections, and many other school projects.
6. Gone on many field trips, including one to Boston for the purpose of visiting art schools and museums.

Those students who are in any way connected with the Art Club, certainly feel that the organization is a worthwhile one for Dover High School.

The officers of the club were as follows:

President	Joyce Stevens
Vice President	Harold Smith
Secretary	Patricia Thompson
Treasurer	Paul Came

Press Club

The main purpose of the Press Club is to give to the student body of Dover High and the community of Dover itself, a full account of the many and varied events of the high school each week. Through the medium of the local newspaper, a weekly column, "The Green Banner," is published containing news written by the reporters of the Press Club.

Organized two years ago, the club numbers about twenty students interested in writing for the newspaper. Under the leadership of three editors, who work alternate weeks, the secretary delivers the assignments to the student reporters. The editors collect the articles, the faculty advisors check them, and the commercial students type them. The material is then ready to be printed in the Democrat.

This column calls for hard work and punctuality by everyone concerned. The "Banner" usually averages two full length columns, covering reports of clubs, sports, and activities, as well as coming events. This year the officers were: Editors: Patricia Carswell, David Culton, Patricia Towle; Secretary, Doris Desautel; Faculty Advisers: Miss Harnett, Mr. DeGross.

THE SPORTS

Sports

Well, sports in Dover High School ended once again with the age old slogan, "Wait until next year." It seems that this famous saying will be justified next year as the majority of the varsity squads was composed of juniors. With such outstanding junior athletes as Jack McNally and Norman "Butch" May, Dover is sure to have a top ranking team next year.

The football squad made out fairly well with a record of three wins and six defeats. This year the outstanding seniors proved to be: Harry Kageleiry, Jim Crowley, Bob Lambert, Jim Brennan, Bob Sullivan, and Charlie Abraham. The team tried hard and showed a great deal of spirit and teamwork, but they received a lot of tough breaks. Congratulations should certainly be extended to the two coaches, "Ollie" Adams, and "Matt" Flaherty, for their excellent job in coaching the boys, not only in football, but in sportsmanship as well.

Lady Fortune also turned her head away from Dover High's basketball team this year, but many

thrilling games were played. The Green Wave finished the season with a record of three wins and eighteen defeats. Even though nine of the games were lost within a margin of three points, the boys showed much spirit. Many excited spectators saw Jack McNally net twenty points per game, while Gordon "Touhy" Clark, a senior, duplicated Jack's feat in several of the games. (The Junior Varsity team, through the guidance of Coach Barnes, made an excellent showing in several of the games, being paced by the little, four-foot three-inch Arnold Fowler.) Coach Flaherty has high hopes for next year's basketball team, with several returning veterans and experienced players from the Junior Varsity.

The hockey team got off to an excellent start and made a very good showing in the few games that they played. The tournament was a different story, as the boys lost both games, but they showed good teamwork. Mr. O'Kane, the coach, should be congratulated on the excellent job that he did with the sextet.

Dover High's cross country team did especially well this year, with a record of four wins and two losses. Paced by state champ Bob Moody, the team ranked among the best in the state. Coached by the newest sensation on the faculty basketball team, Mr. Barnes, the team had an excellent season. Dover won over Laconia, Traip Academy, Manchester West, and York; losing to Portsmouth and Manchester Central. The track team is expected to do as well.

The 1950 baseball teams didn't do as well as was hoped, as they came out of the season with a record of two wins and ten defeats. The outlook for the 1951 and 1952 baseball teams is, however, much brighter.

Intramural basketball was as exciting as ever this year. In this phase of sports at Dover High School, it was the team of seniors which proved to be the victors. Harry Kageleiry, Paul Labbe, Bob Moody, Carl Stone, and Jim Brennan were the members of the "Maulers." After walking

PORTSMOUTH GAME

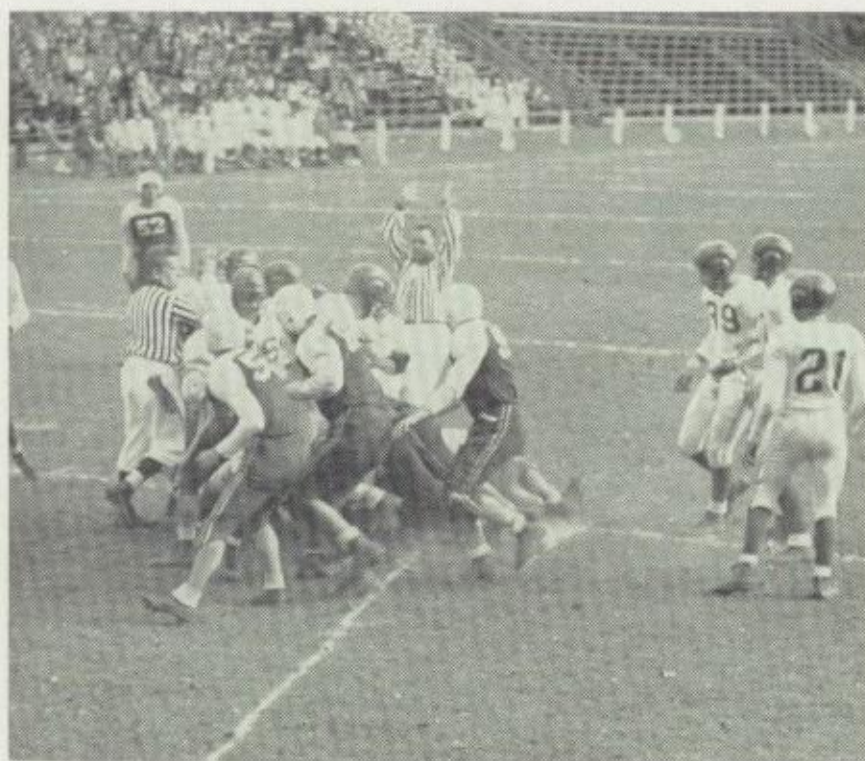

away with the first half of the season's games, the "Maulers" lost the second half. However, the seniors became champs when they won the playoffs from the "Hoboes" by one point.

Sports in Dover High School in 1950 and 1951 were as good as ever, giving the opposition a hard time, and the spectators a clean, hard fought game. A lot of tough breaks were encountered, but in spite of this, both varsity and junior varsity squads showed co-operation and teamwork. A great improvement in the attitude of the students was noticed after the Student Council sponsored Sportsmanship Week, and we hope that this successful program will be carried on as an annual event in Dover High School. We may not have won them all, but "wait until next year!"

SKI JUMPING

LACONIA GAME

First Row: R. Sullivan, H. Bigelow, R. Hughes, H. Kageleiry, C. Abraham, C. Cate, J. Crowley. Second Row: Coach Flaherty, N. May, J. Brennan, D. Meserve, R. Lambert, J. McKenney, D. Karervich, Coach Adams.

Football

On the afternoon of September sixteenth, the Dover High School Green Wave opened its 1950 football season against a powerful eleven from Marblehead, Massachusetts. Soon after the opening whistle, the Green Wave discovered that they were up against a much faster and more experienced team. After a hard fought game, Dover bowed to Marblehead, with the score of 32-7.

Dover High then entertained a small but stubborn team from Saint John's of Concord. Paced by the brilliant running of halfback John McKenney, Dover pounded out a 14-0 victory. This win ended a losing streak of ten consecutive defeats.

Following the victory over Saint John's, the Green Wave journeyed to Manchester, where they met Saint Joseph's. The Wave managed to hold Cronin and Company on even terms for the first half, but, unfortunately, Cathedral proved its superiority during the second half, and went on to win, to the tune of 14-0.

On October seventh, Dover played host to the Laconia Sachems, who came here without the

guidance of their popular coach, "Jay" O'Connor, who was sidelined with a serious illness, and the Dover eleven, playing heads-up football throughout the game, won a decisive 21-6 victory.

Our next engagement took the team to Memorial Field to battle Concord High School in a night game. In a hard fought struggle, which saw two of Dover's men hospitalized, a heavier Concord team came out on top, 18-6.

With two weeks of hard practice and our morale at its peak, the Green Wave made its second trip to Manchester to play Central High School, a Class A rival. Stopping the ground attack of a highly favored Central High team for three of the four quarters, we forced them into the air. This proved to be our undoing, as Billy Pappas passed for three of the four Central touchdowns. Dover's lone score came in the fourth quarter as Norman "Butch" May returned a kick-off 85 yards for the touchdown. The final score was 26-6 in favor of Central.

On Saturday, November fourth, Dover made the long, hard trip into the North Country to encounter Berlin High. Playing under bad weather conditions, and with both teams having touchdowns called back for penalties, the game ended in a scoreless tie.

November eleventh, Armistice Day, saw a high-spirited team from Spaulding High of Rochester come down and upset the Green Wave 8-6 by a safety. The game was played on an equal basis, with each team scoring once and missing the conversion, but when a Dover player intercepted a pass and was tackled in his own end zone, that was the deciding factor. This was a great victory for Rochester, because it was the first time in fourteen years that they had beaten Dover.

The annual Turkey Day game took place at Portsmouth this year, with a fairly large crowd turning out on a cold but clear morning. Dover's record for the season made Portsmouth a heavy

favorite, and the majority of the fans thought that it would be a rout, but instead, it turned out to be the best game of the season. Portsmouth took a 7-0 lead through a series of quick opening plays, but Dover's Green Wave rolled to score their only touchdown, on a beautiful pass from Jimmy Brennan, to the left end, Jim Crowley making the score 7-6 as the half ended. The half saw Portsmouth's Clippers take to the air and they were able to score another touchdown. Dover's eleven threatened several times, but bad breaks and several costly penalties kept them both from tying the score, or pulling the much-hoped-for upset of the year. Portsmouth won by a score of 13-6.

In the final meeting of the team, Harry Kageleiry and Bob Lambert were elected co-captains for the season. The announcement was made of Jim Crowley's being awarded All State End, and that Charles Abraham was second team guard.

One of the final highlights of the season was a banquet at which boys from the Portsmouth, Rochester, Somersworth, and Dover football teams were awarded trophies for outstanding play and sportsmanlike conduct. Harry Kageleiry was the winner for Dover.

The record of Dover High School's football team for the 1950 season is as follows:

Dover	7	Marblehead	32
Dover	21	Saint John's	0
Dover	0	Cathedral	14
Dover	14	Laconia	6
Dover	6	Concord	18
Dover	6	Manchester Central	26
Dover	0	Berlin	0
Dover	6	Rochester	8
Dover	6	Portsmouth	13

We hope that in the future, Dover High School's Green Wave will surge on to victory over all its opponents for many successful seasons.

First Row: Coach Flaherty, N. May, R. Langlois, J. Brennan, H. Bigelow, G. Bennett, J. McNally, L. Neally. *Second Row:* J. McKone, W. Howard, R. Joy, W. Morrison, W. James, J. Duffy, D. Brooks.

Basketball

The 1950-51 basketball season was not very bright for Dover High. The Green Wave had an unenviable record of three wins and eighteen defeats. The team had a great deal of hard luck during the season, during which it lost seventeen straight games. The Green Wave lost eleven games within a radius of three points, ending their losing streak with a win over Laconia High in the last game of the season.

Jack McNally, a junior, a consistent player all year, was the team's high scorer with a 16.8 average. McNally was elected captain by the players. Along with McNally, other members of the team who saw plenty of action were "Touhy" Clark, second high scorer; Jack McKone, Larry Neally, Jimmy Williams, Henry Bigelow, Doug Brooks, and Robert Marshall, who was brought up from the J-V's at the end of the season.

The team will lose only three players: "Touhy" Clark, Jimmy Williams, and Doug Brooks. Returning to form the nucleus of a strong contender for next year's honors are "Butch" May, John McKenney, Jimmy Duffy, and Willie Howard.

With a large number of veterans returning to Coach Matthew Flaherty, the prospects for a successful season at Dover High are bright.

Hockey

Because of the lack of good hockey weather this past winter, the team was unable to play many games. However, they did scrimmage the "Mohawks" a few times and they ended with a fairly good score.

The coach, Mr. O'Kane, had the squad members practice on the river and on the rink. This was done at 6:45 in the morning just to keep them in trim for the games. Three players had a few minor accidents during their practice sessions. Paul Lewis, Dick Levitre, and Bob Leonard were the recipients of some bruises.

The team's scheduled games were with Concord (4), Franklin (2), and Portsmouth (2).

The Dover High School Hockey Team went to Berlin for a tournament, but they lost the first game by a score of 16-0, and the second game by a score of 8-1.

First Row: R. Dimambro, P. Lavoie, J. Kittridge, D. Meserve, R. Moody, L. Maloney, N. Palmer. *Second Row:* J. Bittetti, L. Blood, G. Hickman, G. Porter, W. Drew, R. Leonard, T. Hughes, Mr. O'Kane. *Third Row:* J. Flanagan, C. Palmer, H. Donovan, R. Levitre, H. Day.

Baseball

The 1950 baseball team had an unsuccessful season with a record of two wins and ten defeats. Newburyport and Somersworth were defeated, while Dover was beaten by Exeter Academy, Laconia, Portsmouth, Concord, Newburyport, Spaulding, and Somersworth. Although the Green Wave had a poor season, eleven members of last year's team are returning with some experience.

Returning from the 1950 team are pitchers: Tommy McShera and Paul Garrie; catchers: Bobby Fenton and Larry Maloney; infielders: Earl Chase, Jack McNally, Jimmy Crowley, and Bobby Leonard; outfielders: Bill Warnke, Billy Morrison, and Doug Brooks.

The 1950 season also introduced a JV baseball team at Dover High School. The team was made up of freshmen and sophomores who were not on the varsity. The JV team was coached by Charlie Green.

Varsity Coach Robert O'Kane hopes that with his returning veterans and the experience gained by the JV squad, he will be able to produce a winning baseball team for the next season.

Track

The Dover High Track team had few veterans this year, the chief among whom was Bob Moody, champion miler for the last two years. Don Crandall and James Higgins ran the half mile. Both boys finished second in the State Indoor Track Meet this year, Crandall in the 600 yard run, and Higgins in the 1000 yard run. Charlie Wentworth entered the quarter mile and Mike Norberg, Dick Levitre, Bob Bernard, and Dan Karevich ran the dashes. Bob Lambert, Dover's best hurdler, attempted to make up for last year by showing his heels to the rest of the field.

Bob Bernard and Roy Judd showed their talents as pole vaulters. Ray Monroe and Ted Blewett hurled the javelin, discus, and shot put. Andy Connors and Norm Young handled the high jumping.

Newcomers this year included Aaron Wentworth, in the mile, Joe Kelley in the 440, Bill and Bernard Roy in the mile, and Eddie Craig in the weights.

Mr. Flaherty has been the capable and helpful coach.

Cross Country

Dover High's Cross Country Team ran in six dual meets, winning four and losing only two. Captain Bob Moody placed first in all six, and broke records at Traip Academy, Portsmouth, Manchester West, and Manchester Central. The other two meets were run at Woodman Park. Although Moody did not beat the record held by Robert Bodwell, he once came within two and a half seconds of it.

The biggest heartbreak of the season came at Manchester Central. Moody was first, breaking the record; Crandall third, Aaron Wentworth fourth, but when the scores were counted, Dover had lost by one point. There was no celebrating that night. The boys avenged themselves at the State Meet.

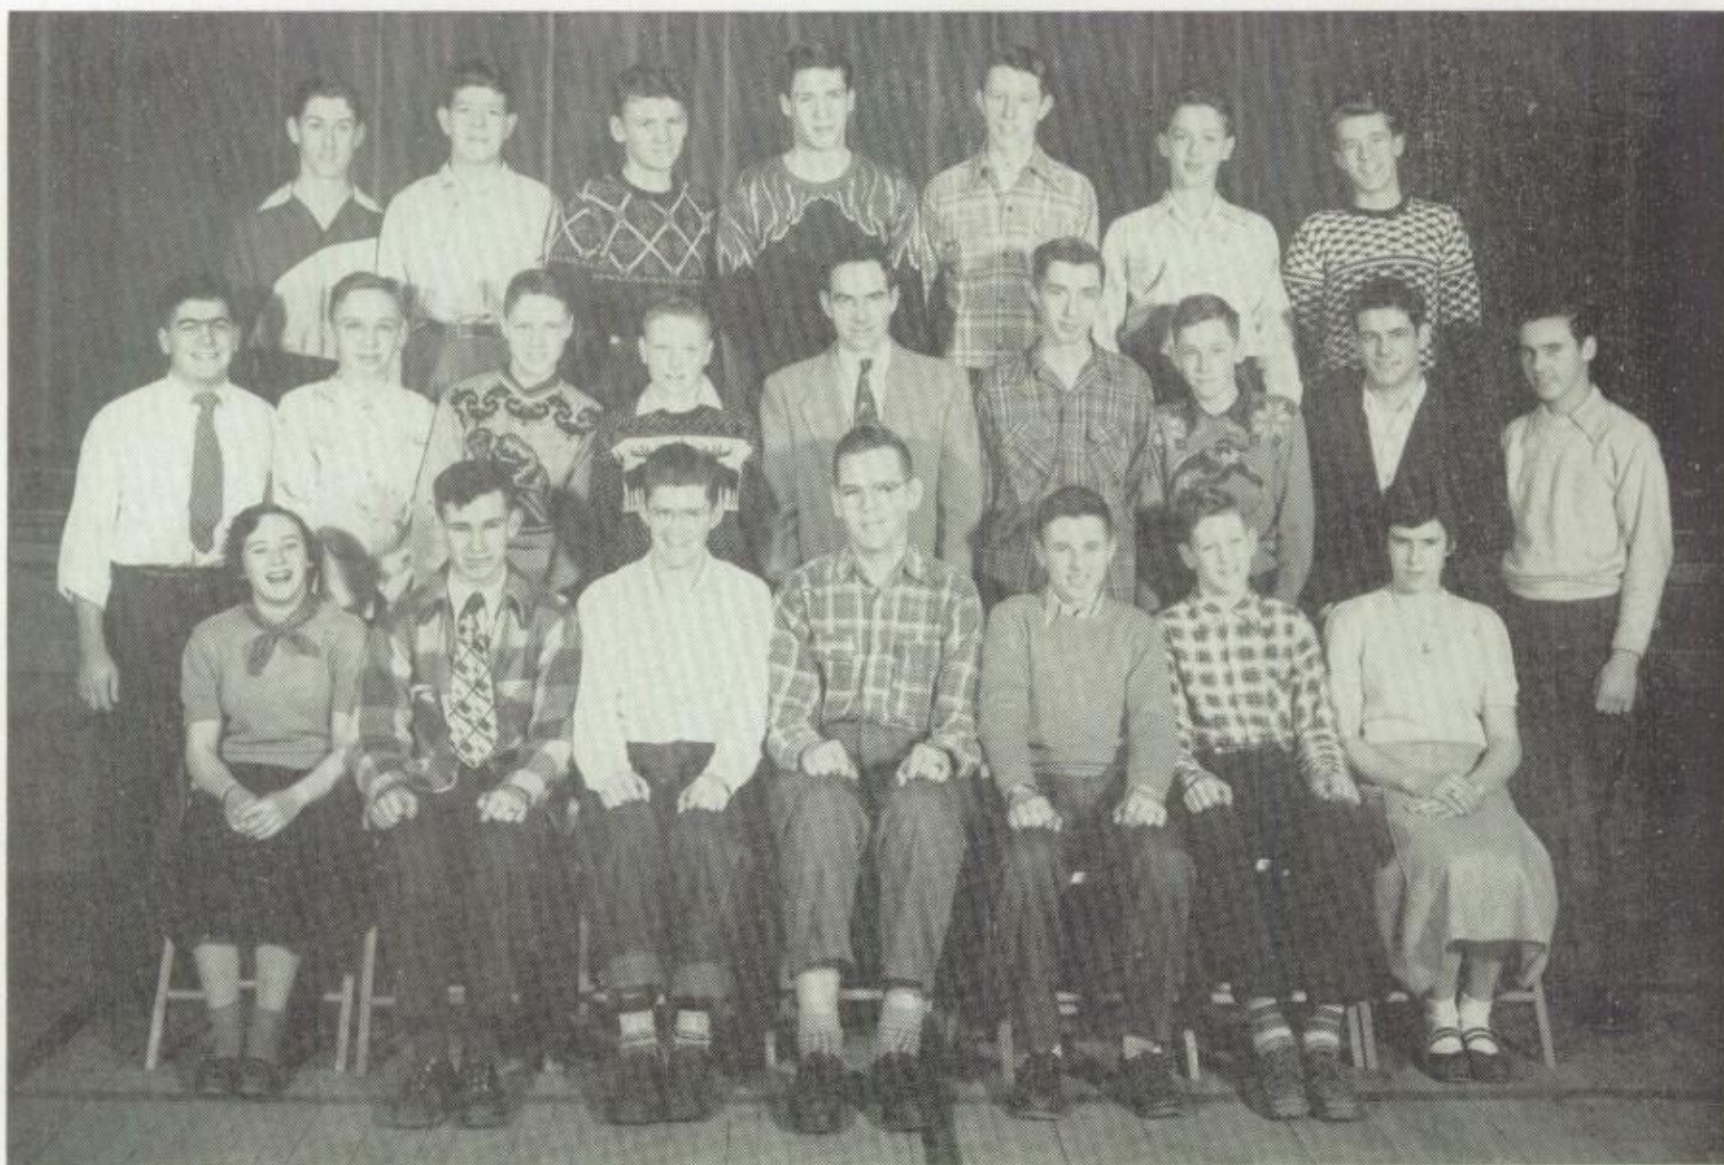

Moody was beaten for the first time in the season at the triangular meet, placing third. He recaptured his record-breaking habit at the State Meet.

Moody and Crandall went to Waterville, Maine, for the New England Meet.

The season was highly successful, and the boys enjoyed running for their new coach, Mr. Barnes.

Rifle Club

The Rifle Club is a comparatively new organization in the school. Mr. Harvey Knepp, its advisor, was instrumental in its formation in 1950. The club is a member of the National Rifle Association. The members have had several matches with other clubs in this vicinity. They have an outdoor range on the Durham-Dover Road, provided by Neal's Hardware, and there is thought of an indoor range. This would be located at the Dover Recreational Center and would be built by the boys of the Vocational School.

Several of the club members have their own rifles, and the government supplies some of the ammunition. In the spring and fall, when the weather is good, practice is held out of doors, but when the weather is bad, the members use the indoor range. This interesting sport is eligible for letter awards at Dover High School, and the club consists of approximately twenty enthusiastic marksmen.

The officers of the Rifle Club are as follows:

President	Robert Gibson
Vice President	Aaron Wentworth
Secretary	Barbara Purpura
Executive Officer	Earl Brown

Ski Team

The Ski Team, a new-comer on Dover High's athletic agenda, has been in existence only a year. In spite of this and our unpredictable New England weather, it has been accepted with open arms by the student body and the faculty.

During the 1950-51 season, the team faced one particular drawback, a practically snowless winter. But regardless of this, and the lack of practice, the ski enthusiasts retired with a successful season. The snow came, and the team went to Pittsfield to participate in the Winter Carnival. This proved successful, and the team returned with a first and a place in the slalom and cross country, and a second in the downhill run, to end the first meet gloriously. The team topped the season off with a clean sweep of the Dover High Winter Carnival.

Plans are now being made to expand the team and to provide future ski enthusiasts with letters at the end of the season. The team is improving and we hope that Old Man Winter does likewise and gives us a good old-fashioned New England winter in 1952.

Fishing Team

The Dover High Fishing Team, the first of its kind in the country, had a very successful season this year. The first trip was to Sargent's Pond in Wolfeboro. The largest fish of the season, a two-foot, four-pound pickerel, was caught by Leo Blood.

Trips were made to Adams' Pond, Winkley Pond, Wild Goose Pond, and again to Sargent's Pond. On the Winkley Pond trip, Walter Brock caught a horn pout through the ice, a practically unknown incident.

After the New Year, the team began waiting for ice to form on Lake Winnepesaukee. On the first trip nothing was caught because of the cold weather, but on the next four trips a good supply of perch was caught. Two hardy souls, Walter Brock and Art Sweatt, stayed out all night in hopes of catching cusk.

Plans are being made for smelt fishing at Great Bay, and, on May 1, the team plans to go trout fishing, using the Isaac Walton club house as headquarters. To finish the season, a deep-sea fishing trip is planned. Mr. Smith has been the faculty advisor, and his efforts have been appreciated very much by the team.

Girls' Athletic Association

The Girls' Athletic Association has now enjoyed its third year of successful participation in sports.

Dues were collected twice a year. This money was used to put on special events for the benefit of the girls of the school.

The biggest event of the year sponsored by the association was the third annual Dover High School Winter Carnival. The girls worked very hard and diligently, and because of this, the Carnival was a great success.

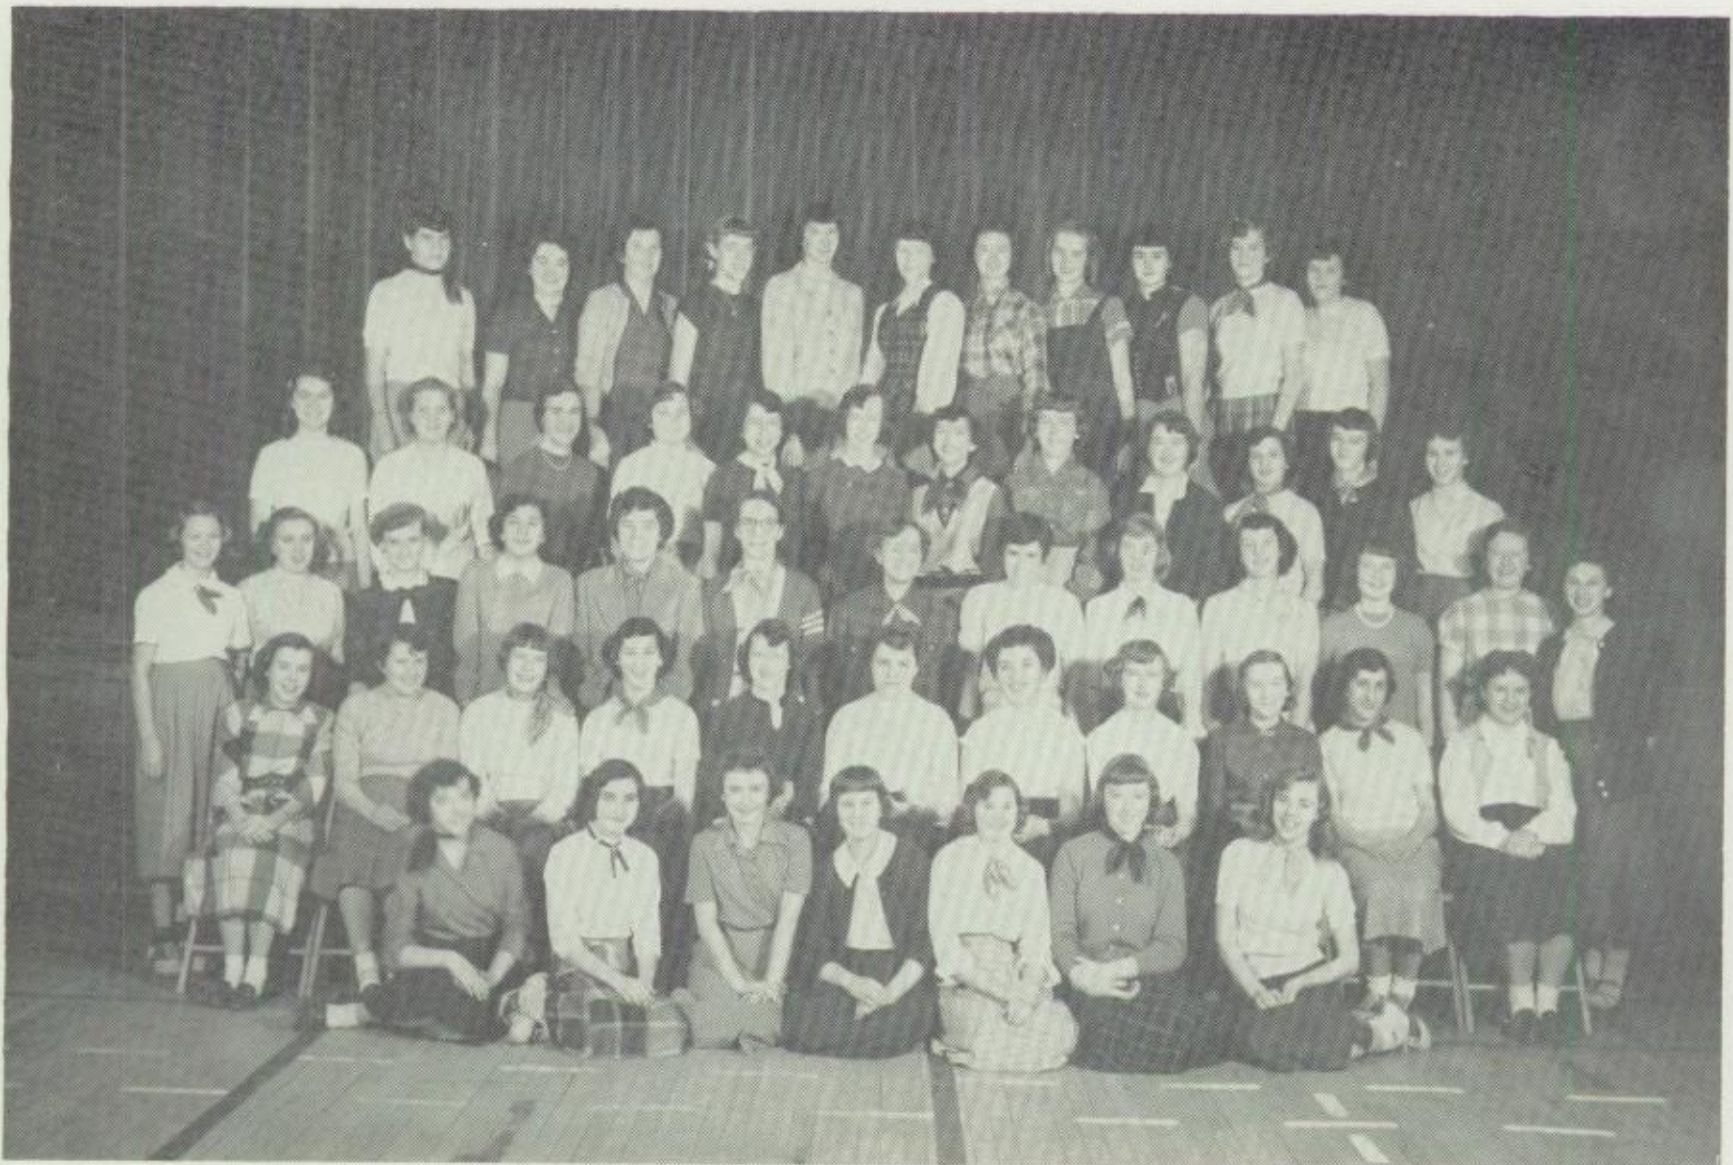

Among the special events put on was a Sports Night for boys and girls, and several Play Days with other schools.

During a leave of absence, the place of our regular physical education teacher, Mrs. Grady, was filled by Mrs. Driscoll.

The officers of the association are as follows:

President	Andrea Verrette
Vice President	Priscilla Roberge
Treasurer	Dixie Soukaris
Secretary	Cecile Michaud
Freshman Representative	Gloria Goudreau

First Row: E. Roux, Y. Landry, J. Labonte, L. Bonefant, J. Lane, C. Jacques, B. Olson. *Second Row:* R. LeBlanc, M. Hale, J. Taylor, C. Michaud, P. Roberge, A. Verrette, D. Soukaris, G. Goudreau, J. Walker, M. Flayhan, L. Glidden. *Third Row:* G. Cloutman, M. Peck, R. Otis, M. Zarillo, G. Grandy, M. Pelczar, B. Otis, N. Otis, N. Littlefield, P. Carswell, S. Rickert, J. Drake, G. Marcotte, R. Illingworth, E. Scribner, S. Cross, S. Carswell, E. Jacques, M. Allen, P. McCabe, L. Cauchon, N. Rowe.

Kneeling: C. Ayer, G. Roberge. Standing: P. LaDuke, E. Morrison, M. Morrisette, D. Soukaris, T. Moutevelis, C. Michaud.

Cheerleaders

The 1950-1951 cheerleading squad was chosen at the beginning of the school year. Five of the teachers of Dover High School acted as judges. The ten girls proved themselves to be a very capable group in leading the student body in the cheers of the school during the football and basketball seasons.

At the beginning of the basketball season the cheerleaders were presented with new uniforms and megaphones.

The group was composed of the following girls:

JUNIORS

Shirley Roberge
Cecile Michaud
Elizabeth Morrison
Marilyn Morrisette
Theani Moutevelis

SENIORS

Andrea Verrette, captain
Constance Ayer
Patricia LaDuke
